She Keeps Ram Pride And Spirit Alive

"There is a saying: 'Take care of the minutes, the hours will take care of themselves.' You have been an excellent class. Working together you have achieved many goals and accomplished many feats. You have worked hard academically and athletically. Your perseverance and diligence have attributed to your success in meeting the challenges of the minute. In the hours to come, I predict many successful endeavors. Congratulations and best wishes for a fulfilling future."

"Willow Glen possesses many unique qualities. Chief among them is the cohesiveness of its student body. I am especially impressed with the leadership role which the class of 1986 has assumed in generating this sense of togetherness which is so strongly felt throughout the community. Good luck in your endeavors. I wish you all the very best of everything life has to offer.

The 1950's brought new innovations to the Willow Glen community. New conveniences swept America. No longer did audiences have to leave their car to see a movie, with the emergeing popularity of drive-ins. McDonalds opened it's first fast food restaurant and Swanson introduced a popular invention: the frozen T.V. dinner. Television was in it's "golden age." Families gathered around the T.V. to watch programs such as; "I Love Lucy," "The Howdy Doody Show," and "Leave it to Beaver." At Willow Glen, students danced to "Mr. Sandman," "Rock Around the Clock," and "Heartbreak Hotel." Student activities revolved around Twirp Day, The Christmas Festival, jazz concerts, and the Halloween Hangover Dance. As the "fabulous" fifties came to an end, American life entered a time of change.

Nickname; Nee Nee
School Activities; Soph. Secretary, Leg. Council, Football and Basketball Pom Pon, Girls Basketball Team, Jr. Achievement, S.J.U.S.D. Committee-

Jeanine Kinaga spent three years with us at Willow Glen High School. She spread joy and happiness wherever she went and had an everlasting impact on the lives of her classmates and the entire school.

Jeanine left us with a void that can never be filled and one that is beyond our human understanding. She touched our lives in such a way that we will never forget her. Jeanine was one of the truly beautiful people.

The Rams had an outstanding season this year, crushing seven opponents and compiling the best varsity football record since 1970. During pre-season the Rams went 3-2 beating Del Mar 14-13, Westmont 22-14, and Leigh 22-18. The Rams placed second in the S.T.A.L. losing only to league champion Gunderson 18-6 in a hard fought game. The Rams went 4-1 in the league beating Pioneer 14-0, and San Jose 15-8. The Rams trounced Lincoln 48-8, and in the homecoming finale, the Rams dumped arch-rival Leland 41-23, to give the Rams second place in the league and their third C.C.S. playoff berth in history. The 41-23 pounding was the worst beating the Rams ever gave the Leland Chargers. Led by returning members Rudy Batinich, Rob Castaneda, Terry Fine, Javier Gutierrez, Rigo Gutierrez, Sammy Hernandez, John Leonard, Raul Martinez, Phil Maurischat, Steve Miller, Robert Valderrama, and Scott Wheeler, the Rams will be remembered as one of the stronger Willow Glen gridiron teams.

(Top Row): coach Ben Neveras, Vicki Kanter, Karen Mc Namara, Lisa Snyder, Brigitte Mohr, and Kristen Tweeten (Bottom Row): Cindy Yoshioka, Brooke Moore, Patty Blessing, Chris Frangos, Linda Matsumoto, and Colleen Mitchell

Both Willow Glen Rams volleyball teams had good seasons. Many varsity team members lacked experience, playing varsity ball for the first time. The only returning varsity member was senior, Marvi Wong. A building year for the Rams should pay off in dividends when the girls have more experience and the J.V. team sends up strong players.

(Top Row): coach Ann Skelley, Ruth Fender, Helen Kourkos, Kari Wilmont, Janelle Bode, and coach Randy Brown. (Second Row): Gina Juareys, Leslie Code, Melissa Morgan, and Sherri Vizzusi. (Bottom Row): Jean Protsik, Laura McCollough, Michelle Piazza, Saranya Umnajkijkarn, and Nora Lavelle.

BEST IN 15 YEARS!

Under coach Steve Martin, the water polo team showed vast improvement over last year's team. The team is beginning to be recognized as a top contender in the Santa Clara Valley and in the C.C.S.

The varsity water polo team had many grueling matches this year. Their hard work paid off. After the regular seasons's matches the varsity team earned a seventh place ranking in the C.C.S. This is a major accomplishment since over 100 teams participated. Chris Appleton lead the polo players as the teams highest scorer, and Rusty Dobbs shared goalie responsibilities with Dan Dellamaggiora.

Willow Glen's J.V. water polo team placed within the top three teams at S.T.A.L., Russ Staffen, the holeman, led the players in their quest for the league title. Coach Steve Martin has great hopes for these fine Players.

(back row) John Gerehardt, Greg Lutz, Russ Staffen, Sam Toren, Sean Macphee, Andy Sparrer, and coach Martin. (front row) Chris Cali, and Chris Semas.

AMAZING SPIDER-MAN
60'S

The 1960's was an era of change throughout the nation, yet Willow Glen remained virtually unchanged. In the early part of the decade, students wore "Bee-hives" and "crew cuts." Music of the Beach Boys, Peter, Paul, and Mary, and the Beatles played on the radio. In the latter part of the sixties, public awareness became greater. Hair was worn longer, and skirts made shorter. A new interest in Space prevailed, when Neil Armstrong walked on the Moon. The ideas of the 1960's advanced into the future and helped shape the world to come.

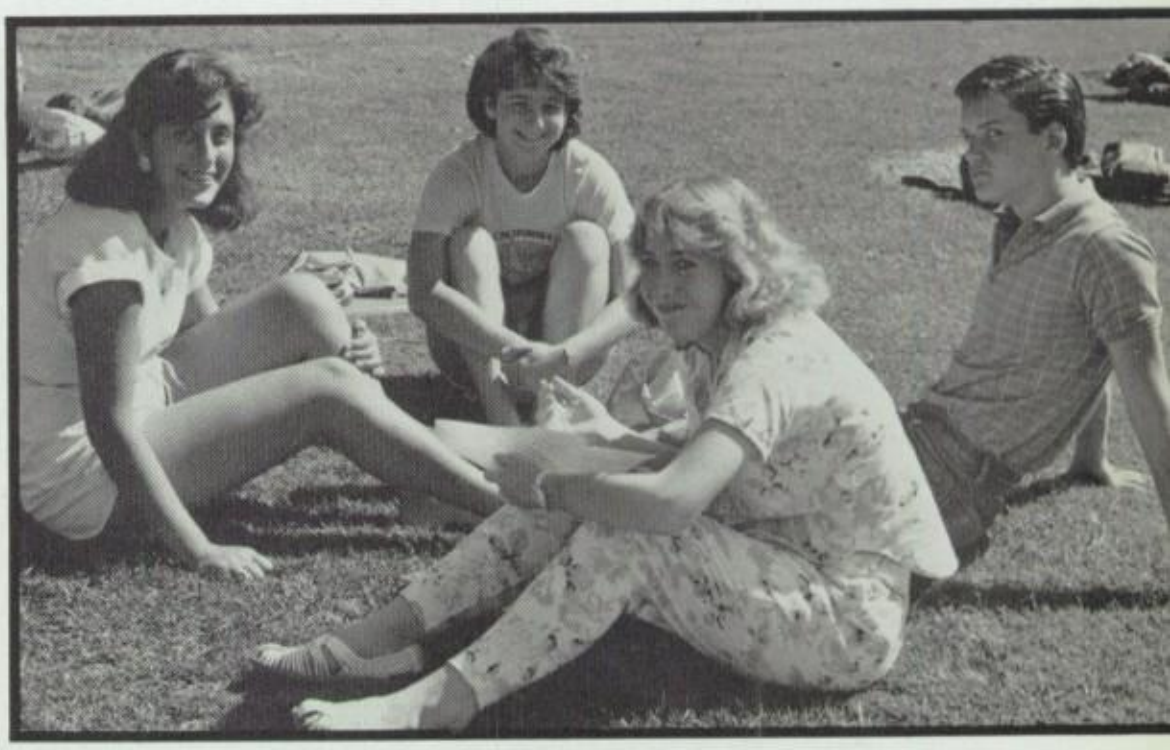
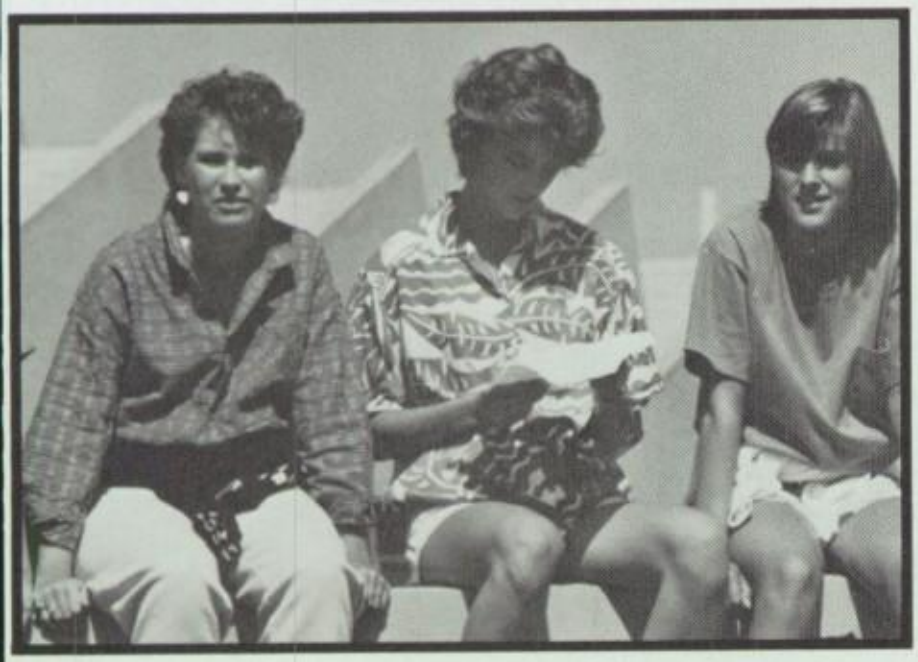
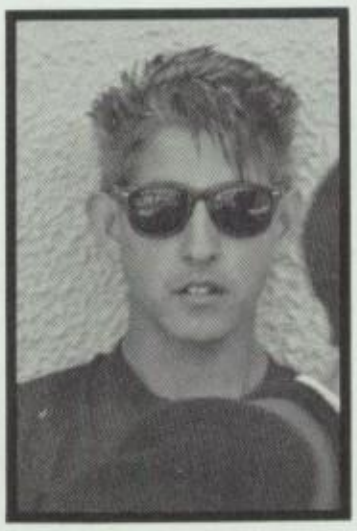
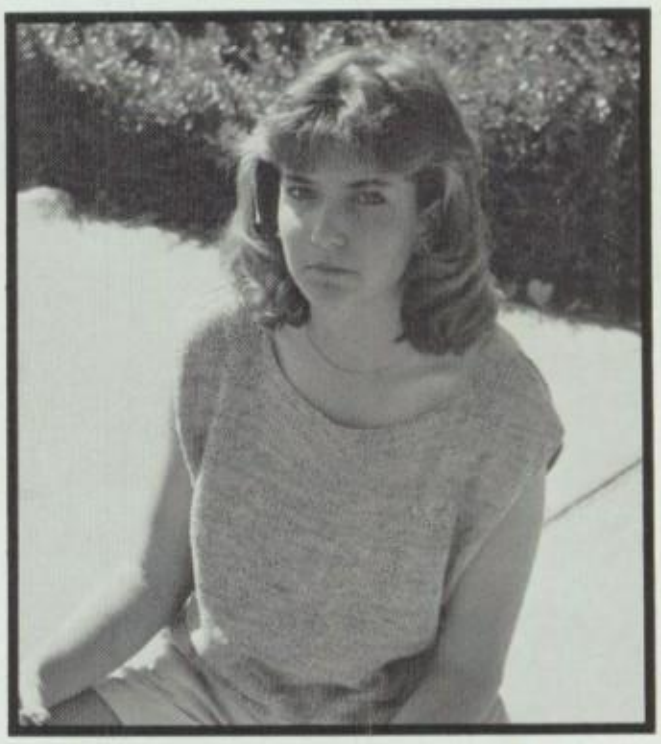
JUNIORS KICKING BACK!!!









OUTSTANDING. . . .

VICKI KANTER

Junior Vicki Kanter started playing tennis at the age of nine at Glen Oaks Tennis Club where she still practices. At Willow Glen she was voted Outstanding Rookie in her freshman year and Most Valuable Player in her sophomore and junior years. Vicki has travelled to New York, Florida, and Arizona in national tournaments, and has rated a high seventh place in northern California. She is number six on the South Bay Ladder. Later plans include getting a tennis scholarship after high school.

CASEY LEE

Junior Casey Lee started skiing at the age of three, when his dad "threw" him on a pair of skis. Now Casey travels all over California and Nevada with the Dodge Ridge Ski Team and is one of the top 20 skiers in California. Casey started racing when he was twelve, and in 1984 he was voted Most Improved Racer in the United States Ski Association. Last year, he finished third in the downhill events, out of 500 skiers, for an all around championship. Future plans for Casey include Colorado State University or San Diego State University, and the 1992 Olympics. Casey is sponsored by Hertel Hot Wax.

CORY LERMO

Cory Lermo is a strong favorite for the 1992 Olympics. Since a very young age Cory has had an interest in gymnastics. In 1982 he became the Northern California Champion, and placed fourth in the regional championships where he competed with gymnasts from California, Oregon, and Nevada. Cory has been to the Junior Olympics twice. Ranked currently seventh in the country for vaulting, Cory Lermo has great aspirations for the future.

This year's wrestling team has proven tough once again. The Gorillas crushed their opponents in individual tournaments. Their rampage was led by senior Gorillas, Mike S., Vince R., Clark S., Peter G., Dave LL., and Robert G. The team suffered injuries that cost many team points, but with strong dedication and motivation, the Gorillas crushed their opponents at S.T.A.L. Finals. Their fight continued on the C.C.S.

1st Row: Coach Sailors, Danny Garcia, Alex Lacis, Ian Reinhard, Craig Orth, Raul Flores. 2nd Row: Ruben Ramirez, Doug Wiley, Miro Flores, Cory Anaya, Rich Huerny, Ho Kim, Arin Hastings, 3rd Row: Rich Garcia, Bob Stanley, Paul Castillou, Nick Kunder, Robert Martinez, Ralph Cisneroz. 4th Row: Paul Banales, Hector Campos, Joe Hopper, Eric Johnston, Charlie Lombardi, Coach Green.

The 1970's brought polyester, the break-up of the Beatles, and Disco. Around Willow Glen, wide collars, platform shoes, and bell bottoms were fashionable. As the era of The Beatles came to an end, The Bee Gees rose to stardom with their hits from "Saturday Night Fever." The lines were long for other box office hits such as "Star Wars" and "Jaws." But, lines were worse at gas pumps, however, as prices rose sky high. A smoking area was allowed on W.C.'s campus, for the first time, and it was profusely used.

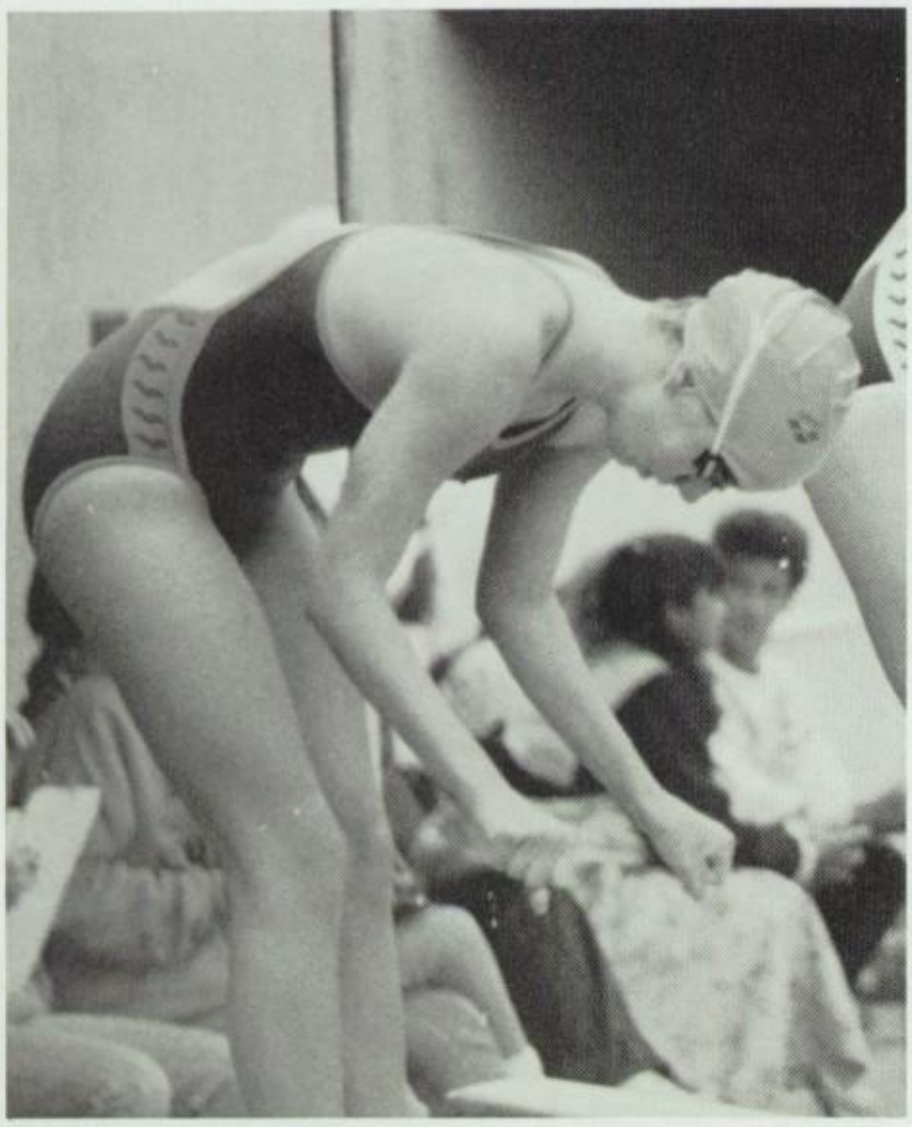
OUTSTANDING

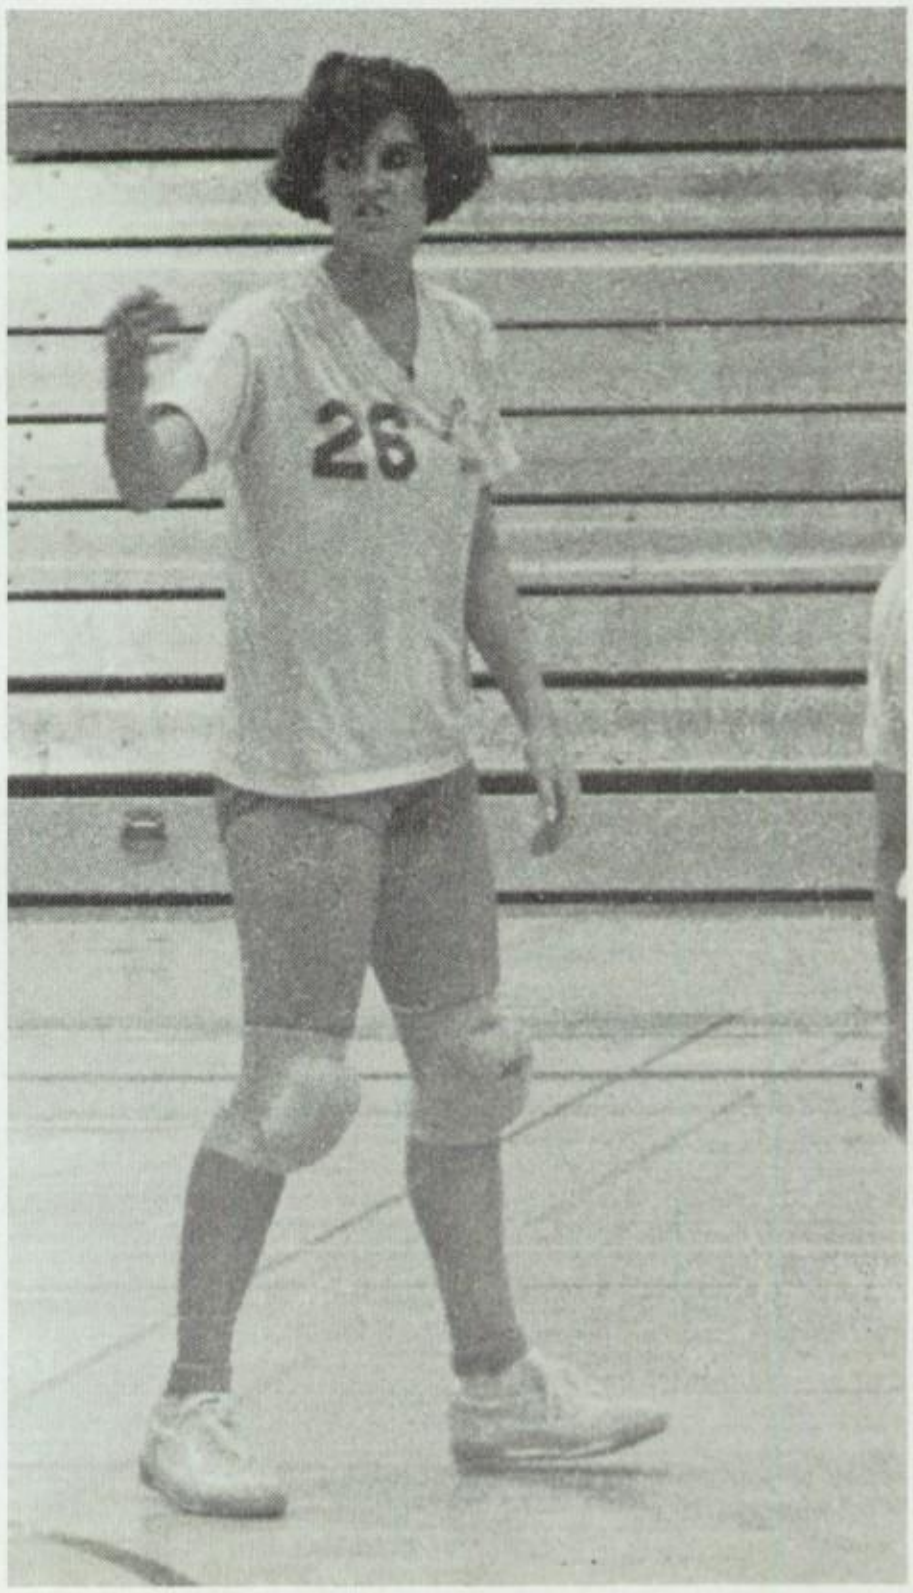
Michelle Guerra's speciality is in academics. Michelle has a four point 0 (4.0) grade point average, and is in C.S.F. Michelle has also been chosen to represent the school in a conference this spring, as a H.O.B.E. representative. Michelle has also received numerous awards, as well as being in Interact, the Science Club, and the Leg. Council. Michelle's hopes for the future are to continue doing well in school, and to hopefully graduate from Stanford University one day.

Karen Ribble is outstanding in both track, and cross country. Karen has been running for two years now, and made varsity in both sports as a freshmen. She came in third place in both the *Mercury News* race, and the Willow Glen Founders race. Karen was also asked, this past Christmas, to fly to London to take part in a marathon there. Keep tracking!

SOPHOMORES!



Kathie Murbach has been swimming for nine years, and was voted most valuable player last year on Varsity. Kathie also came in 5th in C.C.S. for the 500 free. She definatly plans to swim in college, and hopefully that college will be Stanford. Kathie is also considering trying for the Olympics. We hope she makes it!!



Julie Dobbs has been playing volleyball for four years now. She was also named a most valuable player last year, on Varsity. Julie made the Varsity team as a Freshmen, and hopes to do well throughout her High School, and College years. We wish her luck!

GOING FOR DOWNTOWN IN THE C.C.S.

Ram Baseball Gave No Quarter In The Pursuit Of Victory

Bob Parker returned as the Rams' skipper this season after a one-year absence. The Rams had a strong crew of returning players who worked together to put checks in the win column. Players putting their devastating lumber into action were: seniors Rob Castaneda and Scott Wheeler, and junior, Chris Lugo. The pitching staff was anchored by the southpaw wizardry of Mike Burton and John Lavelle. Jeff Silvas kept the opposition baffled with his righthanded power. Terry Fine kept the Rams' opponents honest with his awesome speed on the basepath. With slugging power, ball velocity, and quickness around the bases, this Ram team was a threat to every adversary.

(Top Row): coach Bob Parker, Rob Castaneda, Dean Crew, Scott Wheeler, Jeff Silvas, Mike Burton, John Lavelle, Steve Malvini, Chris Lugo, and coach C.J. Cali (Bottom Row): Terry Fine, Steve Sarabia, Raul Martinez, Allan Lawrence, Joe Berg, John Leonard, Mike Coulter, and Eric Woessner

Technology moved forward in the 1980's. Computers entered everyday life, and learned how to be "personal." Cameras and cars talked to their owners, lotteries came to California, and the first reusable spacecraft was launched by NASA. As for the remaining decade no one knows what great advances will be achieved.

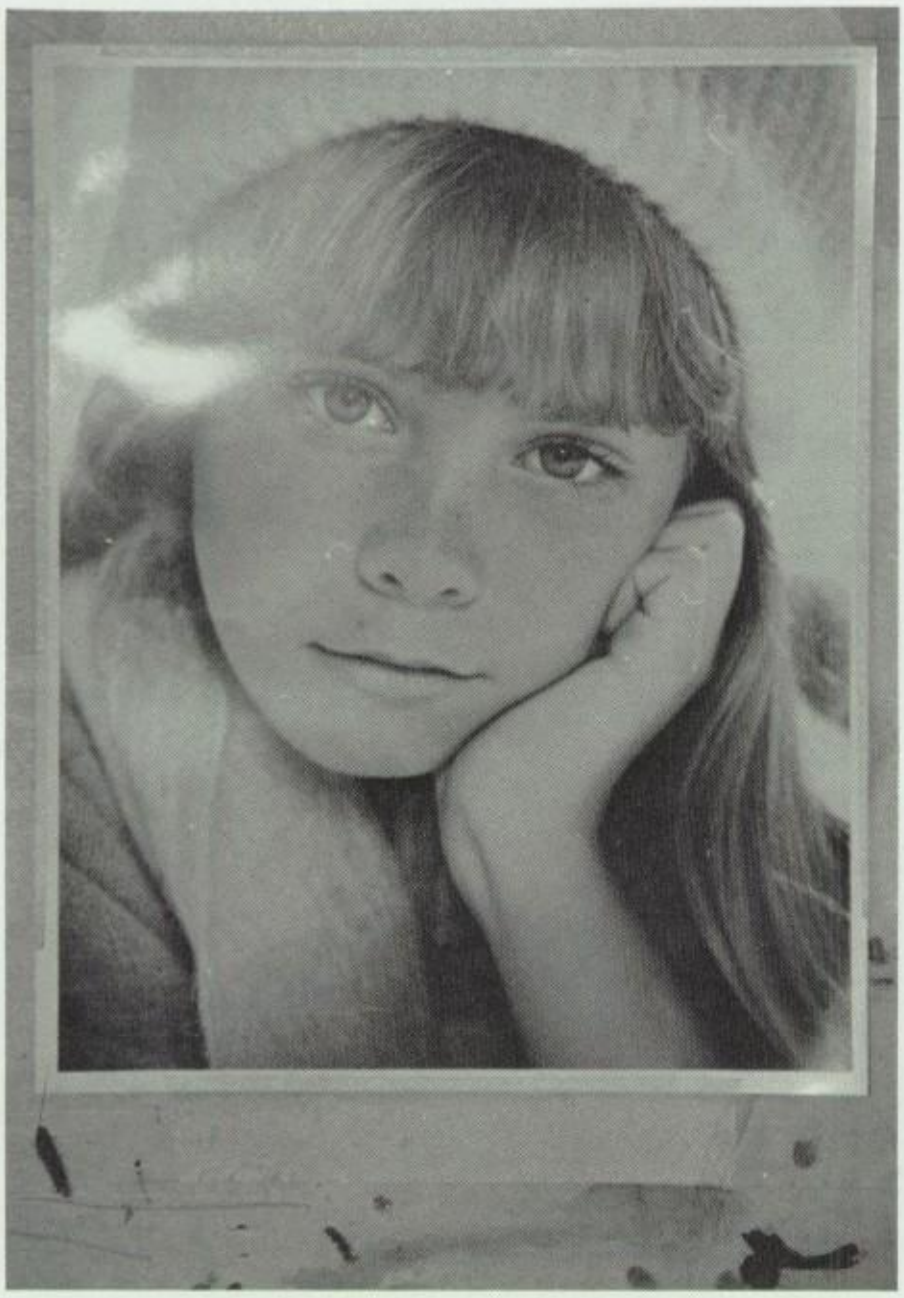
OUTSTANDING FRESHMEN . . .

Kathryn Stuefloten.

Kathryn Stuefloten, a freshmen, has been modeling since she was eight years old. Her modeling includes Atari boxes, Ford LTD commercials, Safeway-49'ers advertisements, and Ponderosa Homes. She has done fashion shows, since the age of six, for both Macys, in San Francisco, and in Beverly Hills. Kathryn also starred in the special t.v. movie, "The Big Stuffed Dog", when she was nine.

Her father, Deputy Police Chief, Larry Stuefloten said that "We only let her do it as long as she doesn't become a spoiled brat." And she hasn't!



"Sleeping beauty!"

PARENTS' CLUB

The Willow Glen Parents' Club, under the leadership of Kurt Bensen, has the primary function of supporting the school with money they earn through fundraising. This year, they planted trees in the quad as a part of the school's beautification program. As supporters of academics and athletics, they helped various athletic teams purchase uniforms and are planning to buy 22 IBM computers for a computer lab. They support the Yearbook by purchasing full page ads each year. This year's officers, at right, are Pres. Kurt Bensen, Sec. Claire Ribble, Tres. Tom Lawhead, and (not shown) Vice-Pres. Judy Burt.

Thank you for your support!

LOGIC AND FUN

Science Club Studies The Wonders Of The World

In 1957, the first Science Club was formed. The advisor, Mr. E. King, wanted students to have an extracurricular opportunity to enjoy science. Through the years, club members have won many prestigious awards at science fairs and national competitions. Horace Lucich, the current advisor, led Willow Glen's second largest club on a ski trip to Bear Valley. Only club members know what skiing has to do with science. It must be a Galilean mystery.

The Science Club members are: Jon Eng, Keebra Oglesby, Renee Reece, Chris Lugo, Jason Lampkin, Tanya Davis, Allen Pierce, Michelle Katz, Ellen Miner, Kirk Wilson, Doug Magill, David Wahba, Leslie Lazauski, Robert Uyeyama, Michelle Wojeik, John Hansen, Arlene Abastillas, Theresa Jacob, Janet Sullivan, Jill Sanchez, Amanda McClintock, Lana Fattaleh, Afsheen Iman-Zahrai, Michael Yang, Kai Yang, Linda Matsumoto, Cindy Yoshioka, Amanda Hess, Marvi Wong, Kristen Monda, Suzanne Bests, Michelle Guerra, Karen Ribble, Robert LaFavor, Kurt Wagner, Stacey Fischer, Dom Hart, Sam Toren, Karen McNamara, Dolly Jacobs, Robin Otani, Melanie Cihos, Colleen Mitchell, Renee Hanks, Kathy Saito Michelle Cayton, John Schoop, April Moore, Dave Moore, Tracey Davis, Danielle Hanna, Shannon McQuaide, Eric Renaud, Stacey Galusha, Teresa Galusha, Linda Deal, Dan Bingham, Brigitte Mohr, Karen Lang, Tim Kirch, Karen Chiaramonte, Ann McElroy, and Beth Redding.

Ram Pages Celebrates 35 Years Of Excellence

For over three decades the "Ram Pages" has kept Willow Glen informed with the latest campus news. Under the guidance of Gladys Wood, the 1985-86 staff produced a fact filled newspaper. Sports, activities, and commentaries were put into print by skilled reporters. Thanks to Mrs. Wood's aspiring journalists, the "Ram Pages" was a satisfying and huge success.

To Dan:

A cool dude I met this year in the 4th grade. It was cool playing hoops at Bobkin and shedding to whoever played against us. We have to get some games going over the summer. It would be fun having you in one of my classes next year so I could get to know you better. Stay cool over the Summer, and try keeping out of trouble.

Your bud
